

## RONCO Consulting Corporation – EOD and Mine Action Instructors – French Speaking

### **EOD and Mine Action Instructors - French Speaking - Africa**

We anticipate a need for Military Instructors with operational experience to instruct foreign military personnel how to respond to surface and sub-surface ordnance incidents. We're seeking general EOD and Mine Action practitioners and instructors to deliver complicated EOD and Mine Action curriculum material to a wide variety of audiences in French.

#### **Build a worthwhile career.**

Travel the world.

Save lives.

#### **Responsibilities:**

- Providing instruction on current IMAS Standards
- Response planning for surface ordnance incidents in both permissive and non-permissive environments
- Preparing and facilitating practical hands-on familiarization with specialized EOD tools, such as protective equipment, detection and identification equipment, and application of electronic countermeasures
- Setting up practical EOD problems for field training exercises
- Maintaining knowledge base in assigned course content including qualification as Demolition Operations Supervisor
- Improving curriculum and course materials through research, intelligence gathering, and training revision

#### **Qualifications:**

Eligible candidates must be self-starters who can think and act quickly and independently, exercise sound judgment, and approach training with a determined, hands-on attitude.

- Fluency in written and spoken English and French is required.
- Instructional experience with foreign militaries is preferred.
- Technical knowledge of C-IED operations and surface ordnance EOD response is preferred.
- Curriculum development experience is preferred.
- EOD Technician operational experience is required.
- Military Master Training Specialist or equivalent is required (minimum 2 years of instructional experience in lieu of training qualifications will be considered).
- CPR and EMT certifications are preferred.

**Additional Benefits:** 48 days total paid leave (paid travel)
